- Pagination: 928 pages
- Dimensions: 178 x 111 mm, 822 grams
- Country of Pub.: United Kingdom

- Pub Date: 08/05/2008
- Price: 17,66 €

Description:

A handy hardback volume for home, school, or work, the Pocket Oxford Thesaurus features synonyms and antonyms for everyday words, as well as language help. Updated with all the latest must-know vocabulary, and with a completely revised text, this second edition is an invaluable tool for anyone who writes for work, school, or pleasure, or anyone looking for the word on the tip of their tongue. The centre section of this thesaurus has been revised and now contains even more lists of nouns, such as insects, fruits, or drinks.

This information can help you to broaden your knowledge, or to find the answer you are looking for in a quiz or a puzzle. The A-Z text of the thesaurus features usage notes to help you identify frequently confused words, such as affect and effect, or compliment and complement, so that you can avoid common pitfalls when you are writing. This thesaurus also contains Word Link features, helping you to find words that are closely associated with each other.

For example, the Word Link at the entry law informs you that the words legal, judicial, and juridical all relate to laws, and the Word Link at darkness reveals that the fear of darkness is called scotophobia. Packed with extra tips and help, and with a completely revised and up-to-date text, the Pocket Oxford Thesaurus is an ideal reference book for anyone who wants to improve their writing.

Description:

The dictionary that helps students write and speak natural-sounding English, now in a new edition with CD-ROM.

Which words usually go together? This dictionary shows you the common word combinations (collocations) that are essential for natural-sounding British and American English.

Completely revised and extended, the new edition has over 250,000 collocations and over 75,000 examples.

New for this edition:

- * Based on the Oxford English Corpus, a 2-billion word corpus that provides authoritative information on the most typical collocations.
- * Collocations only found in British or American English are clearly labelled.
- * Examples, using British and American English, show how collocations work in context.
- * Headwords printed in blue help you find the right word faster.
- * CD-ROM with the complete dictionary, a searchable index that makes it easy to find the collocation you are looking for, and practice exercises.
- * CD-ROM has pop-up definitions of every word included in the dictionary, with spoken pronunciation of British and American English.

Also included:

- * Collocations grouped according to part of speech and meaning.
- * Usage notes show collocations shared by sets of words such as languages and seasons.
- * 16-page Study section.
